### A NEW HOME FOR YOUR HOME-AWAY-FROM-HOME

When the 100th anniversary just around the corner, a brand new clubhouse will have Twin Hills Golf & Country Club wait on its way to another century of success.

As if the onset of a devastating pandemic was not enough, an August 2020 fire destroyed the Twin Hills Club kitchen, adding to an already filled year. But the Club board and staff worked through the obstacles for several years for a \$6.4 million renovation, scheduled to begin in early 2022.

In addition to the kitchen-replacing fire, the Club's dining and bar area underwent significant smoke damage. Some loss of the kitchen also came the loss of rooms and food storage, putting an immediate halt to the Club's ability to host banquets and tournaments in proven methods of hosting golf tournaments.

The renovation allows calls for leaving the original clubhouse (the east half of the club) in place after significant cosmetic repairs. The new east half will combine the same architectural style, retaining the timeless charm and character of the original clubhouse design.

It was a pleasure to bring the dinner table...

There is a special place like home...

When I think of home, I think of the dinner table. It's a place where we gather, share stories, and create memories. It's a place where we can relax and enjoy each other's company. It's a place where we can celebrate special occasions and mark important moments in our lives.

Home is not just a place, it's a feeling. It's the warmth of a fire, the sound of laughter, and the love of those who share it with us. It's the comfort of a familiar scent and the joy of a shared meal. It's the peace of a quiet moment and the excitement of a new adventure.

As I look back on the years that have passed, I am grateful for the love and support that have sustained me. I am grateful for the friends who have made my journey so much easier and the family who have been my rock. I am grateful for the home I have built and the life I have lived.

Home is where the heart is. It's a place of love, joy, and belonging. It's a place where we can truly be ourselves and where we can find the comfort and peace we all deserve.
